

Making the Most of Podcasting

Click on the "Podcast" link at stphiliptheapostleparish.com
or
bookmark <http://stphiliptheapostleparish.podbean.com>

A listing of audio podcasts will then be shown. You may stream the podcasts instantly or you may download them to your iPod/MP3 Player.

You may subscribe to the podcast a couple of different ways:

1. Scroll down on the website and on the bottom right-hand side click on the "RSS Podcast" button. This will then load as "Live Bookmarks" through your Internet browser. When you connect to the Internet, you will notice instantly when a new podcast has been uploaded to the streaming website.
2. Scroll down on the website and on the bottom right-hand side click on the "Subscribe with iTunes" button. This will link the Saint Philip Podcasts with your iTunes computer program.

Frequently Asked Questions:

Will video be part of Podcasts?

Not at this time--we are only using audio for right now.

How long will it take to download a Podcast?

It will depend on your Internet speed. Because the files are about 60 minutes in length, it will take about 5 to 6 minutes to download on basic speed.

How often will podcast be uploaded?

Podcasts are posted about once a week. The podcasts will be an audio-only version of our video streaming website.
