

## **March 2007**

### **Changes for Lectors**

Please continue to read the bulletin board for any special announcements.

For the Easter Season (Easter Sunday-Pentecost) the response to the Prayers of the Faithful (Petitions) will be sung by the musicians. Please read over the petitions ahead of time. Instructions will be in **bold** at the top of the Prayer of the Faithful.

When you are reading the Mass intention, please make sure you are reading the intention(s) for the proper Mass time and only that Mass time. Do not forget to end with “we pray to the Lord” as it is indicated in **red** below the intentions.

Please continue to pause between readings. Say a quick Hail Mary or count to ten slowly. This will give people time of silence for reflection and prayer.

**Take your time reading.** By preparing the readings ahead of time you will know what to expect. You are proclaiming the Word of God!
